**Dr. Ranjita Sengupta, MD, FACC, FACP, FASE** joined Cardiology Associates of Somerset County in July 2007. She is an attending physician at Somerset Medical Center, Somerville, New Jersey and Robert Wood Johnson University Hospital, New Brunswick, New Jersey. She is a Board certified invasive cardiologist with a passion to treat women with cardiovascular disease and performs cardiac catheterizations. During her cardiology fellowship, Dr. Sengupta has focused a great deal on state-of-the-art technologies, and has specialized in cardiac imaging with Echocardiography, Nuclear Cardiology, Cardiac MRI and CT. She does several shows on the radio and television regarding Cardiac CT. She is Board certified in Internal Medicine, Cardiovascular Disease, Nuclear Cardiology and Cardiac CT and licensed to practice medicine and cardiology in New Jersey.

Dr. Sengupta earned her medical degree with Honors from University of Calcutta, India in 1999. She was ranked 3rd in the Medical Board out of 700 students across 5 medical colleges. She went through her internship at Saint Barnabas Medical Center/ Mount Sinai Hospital and then completed her residency at University of Connecticut, CT in 2004. She was the recipient of the “Outstanding Intern of the Year” in 2002 and “Best Resident of the Year” for 2004. Dr. Sengupta went through her Cardiology fellowship at Baylor College of Medicine/Texas Heart Institute, Houston, TX which is one of the premier institutions in the US, excelling in cardiovascular disease and listed as nation’s Top 10 Cardiac Centers by the US News and World Report. She was the recipient of the prestigious “Van Reet Award”, for the best Cardiology fellow excelling in research, education, clinical knowledge and leadership.

She is well published in professional journals such as American Journal of Cardiology, European Society of Cardiology, Journal of American Society of Echocardiography, American Journal of Respiratory and Critical Care, American Journal of Geriatric Cardiology, Journal of Methodist DeBakey Heart Center and the Texas Heart Institute Journal. She is the recipient of the “Cecil Lehman Mayer Research Award” for her research on cardiac disease in sleep apnea.

Her professional memberships include American College of Cardiology, American Medical Association, Society of Cardiovascular CT, American Society of Echocardiography and the American College of Physicians.

Consumers Research Council of America has chosen her as one of “America’s Top Cardiologists” in 2008 and 2010.
